

January 10, 2019

Dear Valued Patient,

It has been my honor and privilege to take care of you and your families for the past thirty-five years. This letter is to inform you that effective February 20, 2019 I will be retiring from the practice of medicine. This means I will no longer provide medical services to you after this date.

I have arranged for Amy Hollen, M.D. to take over the practice to continue serving your health care needs. Dr. Hollen has twenty years of experience and is a five-star rated independent physician. She is a member of Answer Health, a quality and cost effective physician organization. She will provide quality and compassionate care for you.

Again, it has been a joy and honor to take care of you and your families. I have valued the loyalties and friendships that we have developed. I wish you the best of health—mind, body, and spiritual health-- and thank you for your patronage of Family Care Center.

If you have any questions regarding this letter, please feel free to call our office during regular business hours (M-F; 8am-5pm).

Blessings to all of you.

Scott A. Carlson, D.O.
